

Spiral Mixer IGF 2500

Fixed Head

This is the biggest in the IGF range of mixers with a capacity of 90 litres. It is the ideal solution for small bakeries or large pizzeria.

- Fixed Head, two motors, 24V controls.
- Two speeds for hook, one speed for bowl.
- Timers on both speeds.
- 3 protection systems, both active and passive, for complete operator safety during use, cleaning and maintenance
